MAILING ADDRESS

PO Box 15138
Seattle, WA 98115-0138

PERSONAL DATA:

Birthplace	Los Angeles, California, March 8, 1948
Citizenship	United States and Israel
Marital Status	Married to David Steinecker, 2 Sons

PRE-DOCTORAL EDUCATION:

High School	Fairfax High School Los Angeles, California	(1963-1966)
Undergraduate Study	U.C.L.A. Los Angeles, California	(1966-1968)
	Bar Ilan University Ramat Gan, Tel Aviv, Israel	(1968-1969)
	City College of the City University of New York New York City, New York	(1970-1975)
	B.A. Degree: Liberal Arts	(1973)
	Major: Anthropology with High Honors	
	Minor: Psychology	
	Pre-Medical Coursework	(1974-1975)
Medical School	West Virginia School of Osteopathic Medicine Lewisburg, West Virginia	(1976-1980)

POSITIONS HELD AND POST DOCTORAL TRAINING:

Research Assistant	Department of Anthropology, City College of the City University of New York, in association with the American Museum of Natural History, New York, New York	(1/72-6/75)
Rotating Internship, Chief Intern	Pacific Hospital of Long Beach Long Beach, California	(7/80-6/81)

General Surgery Residency	Detroit Osteopathic Hospital Detroit, Michigan	(7/81-6/82)
Neurology Residency, Chief Resident	Wayne State University School of Medicine Detroit, Michigan	(7/82-6/85)
Senior Research and Development Consultant	Flexi-Therm, Inc., New Orleans, Louisiana	(10/82-2/87)
N.I.H. Neurobiology Research Fellowship, Senior Research Fellow	Regional Primate Research Center Department of Physiology and Biophysics University of Washington School of Medicine Seattle, Washington	(7/85-2/87)
Staff Physician	Neurology Clinic University Hospital - Neurology Department University of Washington School of Medicine Seattle, Washington	(7/85-2/87)
Attending Physician	Multiple Sclerosis Clinic University Hospital - Rehabilitation Medicine University of Washington School of Medicine Seattle, Washington	(7/85-10/87)
Clinical Neurologist	Solo Practice in Neurology Port Angeles, Washington	(6/87-7/93)
Neurophysiology Laboratory Director	Neurology Clinic Port Angeles, Washington	(6/87-7/93)
Clinical Developmental Neurologist	Private Practice Specializing in Developmental, Neurobehavioral and Neuropsychiatric Disorders in Children Jerusalem and Safed, Israel	(9/93-5/96)
Staff Physician and Director of Research	The Spingold Center for Child Development Rebecca Sieff Government Hospital Safed, Israel	(3/95-5/96)
Clinical Developmental Neurologist, Osteopath	Private Practice Specializing in Osteopathic Cranial and Non-Drug Treatments for Children with Neurodevelopmental, Neurobehavioral, and Neuropsychiatric Disorders, General Neurology, and Osteopathic Care for Adults Seattle, Washington	(2/97-Present)

ACADEMIC APPOINTMENTS:

Research Consultant In Neurology	Lafayette Clinic Department of Psychiatry
-------------------------------------	--

	Wayne State University School of Medicine Detroit, Michigan	(11/82-6/85)
Acting Clinical Instructor In Neurology	Department of Medicine, Division of Neurology University of Washington School of Medicine Seattle, Washington	(7/85-2/87)
Clinical Preceptor in: Neurology Osteopathy Pediatrics		(2000-2006)
	Bastyr University College of Naturopathic Medicine Seattle, WA	
	Philadelphia College of Osteopathic Medicine Philadelphia, PA	
	Midwestern University Arizona College of Osteopathic Medicine Glendale, AZ	
	Des Moines University College of Osteopathic Medicine Des Moines, IA	
	University of Washington School of Medicine Seattle, WA	
	Touro University College of Osteopathic Medicine Vallejo, CA	
	Lake Erie College of Osteopathic Medicine Bradenton, FL	

SPECIAL CLINICAL AND RESEARCH TRAINING:

PALEOPATHOLOGY	With Walter C. Puchard, M.D., Professor Emeritus, Orthopedic Pathology, Harvard Medical School, at the Smithsonian Institution Department of Anthropology Washington, D.C.	(1/73-4/73)
MICROBIOLOGY/ IMMUNOLOGY	With John Zabriskie, Ph.D., Professor and Director of the Zabriskie Beta Streptococcus Laboratory at the Rockefeller University, New York City, New York	(6/74-8/74)
NEUROPHARMACOLOGY	With Michael Stanley, Ph.D., Professor and Chairman, Lafayette Clinic Department of Pharmacology, at the	

	School of Psychiatry, Wayne State University School of Medicine, Detroit, Michigan	(11/82-6/85)
NEUROPHYSIOLOGY	With John Phillips, Ph.D., D.Sc., Professor and Chairman, Department of Physiology, Wayne State University School of Medicine, Detroit, Michigan	(3/85-4/85)
NEUROBIOLOGY	With Orville A. Smith, Ph.D., Professor, Director of the Regional Primate Research Center, Department of Physiology and Biophysics, University of Washington School of Medicine, Seattle, Washington	(7/85-2/87)
ELECTROMYOGRAPHY AND ELECTRODIAGNOSIS	With Walter C. Stolov, M.D., Professor and Chairman, Department of Rehabilitation Medicine, and Director of the Electromyography and Electrodiagnosis Laboratory of the University of Washington School of Medicine Seattle, Washington	(8/85-2/87)
OSTEOPATHY IN THE CRANIAL FIELD	With Thomas F. Schooley DO, Professor Emeritus and Chairman, Department of Osteopathic Medicine West Virginia School of Osteopathic Medicine Lewisburg, WV 40 Hour Course plus 1 yr. private clinical instruction	(1977-78)
	With John Harakal, DO, and the Faculty of the Sutherland Cranial Teaching Foundation, Osteopathic Medical College of Texas Forth Worth, Texas 40 Hour Course	(5/92)
	With the Faculty of the Sutherland Cranial Teaching Foundation, Chicago College of Osteopathic Medicine, Downers Grove, Illinois 40 Hour Course	(5/93)
	With Kenneth Graham, Ph.D., D.O., Associate Professor, Chairman of the Department of Osteopathic Medicine, At the Kansas City School of Osteopathic Medicine Santa Cruz, California	(6/93)
	With the Faculty of the Sutherland Cranial Teaching Foundation on: the Treatment of Children, Eastmoreland Hospital Portland, Oregon	(5/97)
	With Viola Frymann, D.O., Professor, Department of Osteopathic Medicine, California Osteopathic College of the Pacific, Pasadena, California, and Director of the Osteopathic Center For Children, in San Diego, California Claremont, California	

40 Hour Intermediate Course (9/97)

DEVELOPMENTAL
PEDIATRICS

With Celia Kosokoff, M.D., Director of the Child Development Unit, at the Rifka Sieff Government Hospital Safed, Israel (3/95-5/96)

With Pamela McKenzie, M.D., Professor, Department of Pediatrics, Director of the Child Development Unit, Children's Hospital, University of Colorado School of Medicine, Denver, Colorado (8/96-12/96)

ADDITIONAL RESEARCH EXPERIENCE:

Collaborative Study With Warren Kinsey, Ph.D., Professor, Department of Anthropology, City College of the City University of New York, in association with the American Museum of Natural History, New York, New York
On: Tooth Patterns As Anthropologic Markers (1/72-6/73)

Collaborative Study With Walter C. Puchard, Professor Emeritus, Department of Orthopedics, Harvard Medical School, in association with the Department of Physical Anthropology, at the Smithsonian Institution, in conjunction with the Armed Forces Institute of Pathology, Washington, D.C.
On: Dietary Influence on Tooth Patterns in South American Indians (1/73-4/73)

Collaborative Study With John Gilroy, M.D., Professor and Chairman, Department of Neurology, Wayne State University School of Medicine, Detroit, Michigan
On: Thermographic Evaluation of Peripheral Neuropathies (8/82-6/85)

Collaborative Study With Michael Stanley, Ph.D., Chairman, Department of Pharmacology, Department of Psychiatry, at the Lafayette Clinic, Wayne State University, School of Medicine, Detroit, Michigan
On: Suicide, Aggression, and Serotonin Levels (11/82-6/85)

Collaborative Study With George Kraft, M.D., Professor, Department of Rehabilitation Medicine, University of Washington School of Medicine, Seattle, Washington
On: Thermographic Evaluation of Autonomic Dysfunction in Carpal Tunnel Syndrome (4/83-2/87)

Post-Doctoral Senior Research With Orville A. Smith, Ph.D., Director, Regional Primate Research Center, Department of Physiology and Biophysics,

Study	University of Washington School of Medicine Seattle, Washington On: The Development of a Carpal Tunnel Syndrome (CTS) Model in the Baboon to Assess Peripheral Autonomic Fiber Involvement in CTS; and Thermographic Evaluation of Cutaneous Reflexes in the Baboon and Human (7/85-2/87)
Collaborative Study	With Celia Kosakoff, M.D., Pediatric Developmentalist, Director, The Spingold Child Development Center, At the Rebecca Sieff Government Hospital, and Mimi Semucha, M.S., National Advisor on Autism for the Israel Department of Education, Safed, Israel On: The Effects of Osteopathic Cranial Treatment on Social Behavior Skills in Autistic Children (3/95-5/96)

PRESENT RESEARCH INTERESTS:

- (1) The role and efficacy of non-drug treatments in the prevention and reversal of neuro-developmental, neurobehavioral and neuropsychiatric disorders in children, particularly, the modification of genetic expression and the reduction of sequelae to toxic exposure.
- (2) Identification and holistic treatment of anatomic, physiologic and biochemical disturbances in children, particularly, neuro-toxic, neuro-immune, neuro-hormonal and neuro-regulatory disorders, as well as general immunologic and allergic conditions in adults.
- (3) The diagnostic, prognostic, therapeutic, and research value of Osteopathy in The Cranial Field, in the domain of general pediatrics, newborns and the high risk infant, neuro-developmental disorders, child and infant psychiatry, and special education.

HONORS:

Alpha Lambda Delta National Women’s Honor Society-UCLA	(1967)
High Honors at Graduation in Anthropology-CUNY	(1973)
Magna Cum Laude-CUNY	(1973)
Phi Beta Kappa-CUNY	(1973)
N.I.H. Neurobiology Research Training Grant-UW	(1985-87)

LICENSURE AND CERTIFICATION:

Diplomate - National Board of Examiners for Osteopathic Physicians and Surgeons	(1980)
Permanent Michigan Osteopathic Medical License	(1981)
Permanent Washington Osteopathic Medical License	(1985)
Diplomate - American Academy of Pain Management	(1992)
Temporary Israel Medical License	(1993)
Permanent Israel Medical License	(1996)
Permanent Virginia Osteopathic Medical License – Not Active	(1996)
Permanent Colorado Osteopathic Medical License – Not Active	(1996)

Permanent Arizona Osteopathic Medical License (2010)

MEDICAL STAFF APPOINTMENTS:

Full-Time Consultant	Association of University Physicians, University Hospital University of Washington School of Medicine Seattle, Washington	(7/85-2/87)
Staff Physician	Neurology Clinic, University Hospital University of Washington School of Medicine, Seattle, Washington	(7/85-2/87)
Attending Physician	Multiple Sclerosis Clinic, University Hospital University of Washington School of Medicine Seattle, Washington	(7/85-10/87)
Staff Physician	Olympic Memorial Hospital Port Angeles, Washington	(6/87-7/93)
Staff Physician	Spingold Child Development Center, and the Rebecca Sieff Government Hospital, Safed, Israel	(3/95-5/96)

PROFESSIONAL SOCIETIES:

American Osteopathic Association	(1976-1997)
American Medical Association	(1982-1993)
American Academy of Neurology	(1982-1993)
American Academy of Osteopathy	(1977-2011)
American College of Neuropsychiatrists	(1982-1990)
Washington State Medical Society	(1987-1993)
Washington Osteopathic Medical Association	(1987-1997)
American Academy of Pain Management	(1992-1993)
S.C.T.F. & The Cranial Academy	(1977-2011)

INVITED PRESENTATIONS:

1. Gateless, D. Peripheral Neuropathy - An Overview. Annual Lecture
Presented at: The School of Physical Therapists and
Occupational Therapists, Wayne State University
School of Medicine, Detroit, Michigan (11/11/82)
2. Gateless, D. Cullis, P., Ingall, J. R., Mahmud, M. Z., Gilroy, J.
Thermography in Meralgia Paresthetica
Presented at: The 35th Annual Meeting of the American
Academy of Neurology, San Diego, California (4/28/83)
3. Gateless, D. Nefcy, P. M., Ingall, J. R., Gilroy, J.
Entrapment Neuropathies and Liquid Crystal Thermography
Presented at: The 35th Annual Meeting of the American
Academy of Neurology, San Diego, California (4/28/83)
4. Gateless, D. Nefcy, P. M., Ingall, J. R., Gilroy, J.
The Diagnosis of Carpal Tunnel Syndrome in Pregnant
Women Using Liquid Crystal Thermography
Presented at: The 35th Annual Meeting of the American
Academy of Neurology, San Diego, California (4/30/83)
5. Gateless, D. Liquid Crystal Thermography as a Diagnostic Tool for
Carpal Tunnel Syndrome in Pregnant Women
Presented at: Neurology Grand Rounds, Wayne State
University School of Medicine, Detroit, Michigan (5/6/83)
6. Gateless, D. Peripheral Neuropathies Revisited, Annual Lecture
Presented at: The School of Physical Therapists and
Occupational Therapists, Wayne State University School
of Medicine, Detroit, Michigan (11/9/83)
7. Gateless, D. Cullis, P., Mahmud, M. Z., Gilroy, J.
The use of Contact Thermography in the Diagnosis of
Meralgia Paresthetica
Presented at: The Annual Meeting of the Michigan
Neurological Association, Dearborn, Michigan (11/12/83)
8. Gateless, D. Gilroy, J.

- Neuroimaging with Liquid Crystal Chromothermography
Presented at: The American Society of Neuroimaging
Annual Scientific Meeting, Boca Ratan, Florida (1/31/84)
9. Gateless, D. Liquid Crystal Chromothermography:
A Physiologic Neuroimaging Tool
Presented at: Neurology Grand Rounds, Wayne State
University School of Medicine, Detroit, Michigan (2/17/84)
 10. Gateless, D. The Use of Thermography in the Evaluation of Low Back Pain
Presented at: The American Railroads Annual Sectional
Meeting. Westin Hotel, Renaissance Center
Detroit, Michigan (5/10/84)
 11. Gateless, D. Kraft, G. H.
The Early Diagnosis of Carpal Tunnel Syndrome-
A Comparative Study
Presented at: Grand Rounds, Department of Neurology,
Wayne State University School of Medicine
Detroit, Michigan (6/15/84)
 12. Gateless, D. Kraft, G. H., Gilroy, J.
Thermographic Evaluation of Autonomic Dysfunction in
Carpal Tunnel Syndrome
Presented at: The 31st Annual Scientific Meeting of the
American Association of Electromyography and
Electrodiagnosis, Kansas City, Missouri (9/21/84)
 13. Gateless, D. Kraft, G. H., Gilroy, J.
Is Thermography of Value in the Carpal Tunnel Syndrome?
Presented at: The Annual Meeting of the Michigan
Neurological Association, Dearborn, Michigan (11/3/84)
 14. Gateless, D. Clinical Manifestations of Cerebellar Disease
Presented at: The Wayne State University School of
Medicine Annual Lecture, Detroit, Michigan (4/24/85)
 15. Gateless, D. The Anatomic, Physiologic, and Physical Basis of Thermography
Presented at: The Nerve Influence Meeting, at the Regional
Primate Research Center, Department of Physiology and
Biophysics, University of Washington School of Medicine
Seattle, Washington (8/8/85)
 16. Gateless, D. Normal and Pathophysiologic Vascular Patterns in Human Hands
Presented at: The Nerve Influence Meeting, at the Regional
Primate Research Center, Department of Physiology and
Biophysics, University of Washington School of Medicine
Seattle, Washington (8/15/85)
 17. Gateless, D. Involvement of Autonomic Fibers in Entrapment Neuropathies
Presented at: Issues in Neurobiology, Department of Physiology

- and Biophysics, University of Washington School of Medicine
Seattle, Washington (1/31/86)
18. Gateless, D. The Application of Thermography in the Experimental Animal
Presented at: The 33rd Annual Meeting of the American
Association of Electromyography and Electrodiagnosis, at the
Marriott Copley Place, Boston, Massachusetts (9/26/86)
 19. Gateless, D. Thermographic Representation of Cutaneous Reflexes and
Their Role in Neuromuscular Diagnosis
Presented at: The Harry D. Patton Physiology Society Annual
Meeting, at the Waterfront Activities Center, University of
Washington School of Medicine, Seattle, Washington (10/20/86)
 20. Gateless, D. The Scientific Basis of Thermography, and Some Applications
for the Rehab Physician
Presented at: The Department of Rehabilitation Medicine
Annual Research Seminar, at the University of Washington
School of Medicine, Seattle, Washington (12/1/86)
 21. Gateless-
Steinecker, D. Clinical Overview of Multiple Sclerosis: Including Anatomy,
Physiology, and Chronic Management of Clinical Problems in
the M.S. Patient
Presented at: The Annual Lecture Series for the M.S.
Support Group, Sequim, Washington (9/3/87)
 22. Gateless-
Steinecker, D. Anatomic, Physiologic and Clinical Aspects of Alzheimer's
Disease, and Introduction to Experimental Drug Therapies.
Presented at: The Port Townsend Support Group for
Alzheimer's Disease, Port Townsend, Washington (11/5/87)
 23. Gateless-
Steinecker, D. Thermography - Its Medical Implications.
Presented at: The 1st Annual Pacific Hospital of
Long Beach Alumni Scientific Meeting, Pacific Hospital
Long Beach, California (6/17/89)
 24. Gateless-
Steinecker, D. A New Vision - A New Hope with Dietary Intervention
Presented at: The Clallam County Support Group for
Multiple Sclerosis Annual Lecture Series
Port Angeles, Washington (4/18/90)
 25. Gateless-
Steinecker, D. The Anatomic, Physiologic and Clinical Picture of
Multiple Sclerosis
Presented at: The Annual Conference Session of the Clallam
County M.S. Support Group, Sequim, Washington (4/24/91)
 26. Gateless-
Steinecker, D. Introduction to Osteopathy in the Cranial Field and its
Relationship to Neurodevelopmental Disorders
Presented at: The Child Development Center at the
Rebecca Sieff Government Hospital

Safed, Israel

(4/25/95)

27. Gateless-
Steinecker, D.

The Anatomic and Physiologic Basis of Cranial Osteopathy,
and its Theoretical Importance as a Diagnostic and Therapeutic
Intervention in the Treatment of Developmental Disorders
Presented at: The Child Development Unit of the Children's
Hospital, The University of Colorado School of Medicine,
Denver, Colorado

(10/24/96)
